- To base my expectations of reward upon the solid foundation of service.
- To honor and respect my vocation in such a way as to bring repute to myself.
- And further, to spare no effort in upholding the ideals of SkillsUSA.

KEYNOTE

Dr. Mónica Torres has been at Doña Ana Community College for nine years—first, as vice-president of academic affairs, then in 2018 she became president, and recently has been named the chancellor for all the community colleges in the New Mexico State University system. Prior, Dr. Torres was an associate professor in the English department at NMSU. Her work was focused race, ethnicity, gender, and class in the United States. As DACC’s president, she is marshalling the college’s efforts to ensure that residents in the region can not only access the services of the college but can benefit from their experience at the college. Thank you, President Torres!
